Terms&Conditions

The purchase of webinar attendance or download is for use by the purchaser only and registration information should not be forwarded on to third parties; doing so may hinder your own access, as webinar access is by prior registration only. Similarly, the materials and replay of webinars are for use by the purchaser only and should not be forwarded on to third parties.

Responsibility for the confidentiality and security of webinar registration information and event materials issued by Dental Business Club (DBC) lies with the registrant. If you believe that a third party has obtained details in an unauthorised manner, please promptly notify DBC.

The virtual event facility includes a feature that allows audio and any documents and other materials exchanged or viewed during the session to be recorded. By joining a session, you automatically consent to such recordings. If you do not consent to the recording, please contact DBC to discuss your concerns in good time prior to the web-event date or the downloadable webinar.

Web-event participation may require you to configure your software settings on your web-device upon first use, or require you to download the software for your operating system. Software can be manually downloaded by visiting the [WebEx Download Center](#). Please note that you may require administrator privileges on your computer to be able to manually install software.

Where the training webinar is pre-recorded the user may access the video via the access portal at www.DentalBusiness.club or receive a YouTube video that will be password protected.

Cancellations must be received in writing at least seven days before the date of the event or seven days previous to the download of a pre-recorded webinar and will be subject to an administration charge of

£10. It is regretted that cancellations made after this time will not be accepted and the delegate will be liable for the full event/recorded video fee. Substitutions may be made at any time provided the organisers are notified 48hours prior to the event or 48 hours before password for pre-recorded video has been issued.

There is a right to cancel policy available on our website, in the About Us section.
